General SchoolChoice Information and Agreement

- I understand that if I “choice” out of my neighborhood school, transportation is not guaranteed.
- I understand that if I complete this form and am enrolled in a school other than my neighborhood school, I am giving up my child’s guaranteed spot at that neighborhood school.
- I understand that my child is guaranteed enrollment at our neighborhood school if I have not “choiced” out of that school. I also understand that once I have “choiced” out of my neighborhood school, I must follow the SchoolChoice process to return to that school if I change my mind.
- I understand that it is my responsibility to complete any required additional steps necessary to qualify for a program to which I would like my child assigned, such as auditions, interviews, testing, etc.
- I understand that if my child is not qualified for a program, he/she will not be enrolled in that program, even if I have listed that school/program on this form.
- I understand that the SchoolChoice process will take into consideration the preferences I have listed for my child, space available and the priorities my child has at any given school. I further understand that every effort will be made to place my child in the highest preference school. I understand that there is no guarantee that my child will be placed in his/her highest-preference school.
- I understand that my child will receive one school assignment by going through the SchoolChoice First Round process.
- I understand that my child will be waitlisted at any school/programs that were higher-preference choices than the one he/she is assigned to.
- I understand that once enrolled in a school, it is my responsibility to abide by any school specific requirements.
